

# an invitation to join the **I A M E** ...

**Your Industry Association**  
KEEPING YOU CONNECTED

**The IAME strives  
to further the interests of  
Members at all levels  
through knowledge, awareness  
and the sharing of expertise.**

## The IAME

The Institute exists for the benefit of its members within the Automotive industry.

**Membership services and benefits focus on providing 4 main outcomes:**

- 1 Facilitate the development of qualifications and experience of members to maximise their potential within the industry.**
- 2 Offer financial benefits via a range of products and services which originate from the strength of our large membership base.**
- 3 Represent the interests of the membership to gain best possible outcomes in areas of licensing, legislation and government review.**
- 4 Provide services to assist in the operation and performance of running a members business.**

The IAME values your membership and will continue to develop a range of products and services for the benefit of members.

Members have input in the future direction of the IAME through an extensive Branch network. This ensures validity in the industry and the provision of services that are relative to both the needs of the members and our specialised industry.

## Membership

Membership of the IAME is an industry acknowledged qualification which recognises the development of each individual member.

**Increase the value of your employment through membership of the IAME.**

## Joining the IAME

To join simply complete the application form on Page 3 and 4, return it with the appropriate membership fee.

**If there is any way at all we can be of assistance do not hesitate to contact a conveniently located state office.**

**Details of IAME offices throughout Australia are shown on following pages along with the Membership Grading and Fee Information.**

## Graded Membership

### MEMBER – MIAME

Is required to have a minimum of 6 years trade experience including apprenticeship and either hold an acceptable exemption or pass the examination at the level required by the IAME council.

### ASSOCIATE - AIAME

Is required to have a minimum of 3 years trade experience including apprenticeship and either hold an acceptable exemption or pass the examination at the level required by the IAME council.

A person who passes the examination at a particular level, but because of experience is not able to obtain that level, is awarded a lower grade and is automatically advanced to the higher grade when the experience requirement is satisfied.

Adherence to these standards maintains the integrity of IAME membership

## Non Graded Membership

### AFFILIATE - CORPORATE

This category is available to firms, partnerships or companies who wish to be affiliated with the IAME.

### AFFILIATE - PERSONAL

Available to people not necessarily involved in the servicing and repair of motor vehicles, but in related areas, or to persons who have sat the entrance examination and have not satisfied the requirements for graded membership.

### STUDENT

A person who is presently undertaking a course at a recognised Technical College or Educational Institution.
